BBQ Operation & Cleaning

**** THESE BARBEQUES ARE DESIGNED FOR OUTDOOR USE ONLY ****

BARBECUE CLEANING INSTRUCTIONS:

- To avoid a **\$40.00 Cleaning Charge**, equipment must be returned in the same conditions it was received, clean and ready for transport.
- Barbeque grates must be scrubbed down with a wire brush to remove all food & charred particles (cleans best when BBQ is still warm).
- Remove all food and charred particles.
- Correctly dispose of charcoal or wood chips.
 - Allow coals to burn out completely and let ashes cool at least 48 hours before disposing.
 - Dispose of cold ashes by wrapping in heavy-duty aluminum foil and placing in non-combustible container. Be sure no other combustible materials are nearby.
 - ***If you must dispose of ashes before completely cooled, place them in heavy duty foil and soak in water completely before disposing in non-combustible container.***

*** Please do not dismantle barbecue for transportation! ***
